Principal's Message

“*Knowledge is power and Education is the key to unlock that power within oneself.*
- Swami Vivekananda ”

It is truly said by the great saint and leader Swami Vivekananda that the greatest power which can be with all of us is Knowledge and everyone of us has to recognise or reveal it through Education because it is the only key to get that power within ourselves or we can say that knowledge has the ability to conquer the whole world. Everyone of us want to get name, fame, strength, power, money and position and it is only possible through knowledge.

So, here our SKV fraternity is always trying to enrich our students with knowledge which is the ultimate power and help them to understand, recognise and enhance their creativity and skills. This is our first step to unlock that power of our students which is lying within themselves and hope that "Sampoornam" will enhance their creativity and writing skills in different languages in the upcoming years.

I thank the management, chief editor, editor and all the members who are associated with "Sampoornam" for providing this opportunity to our students to exhibit their talents, creativity and writing skills.

Chief Editor's Column

"At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents and teachers. Together we may give our children the roots to grow and the wings to fly"

Education is the foundation of human life and the home is the seedbed of education. After that comes school. The present society and the changes of the era, various events happening in the society and the frequently changing scenario in the education system have also had a great impact on the students. Anti-social incidents, murders, rapes, looting, etc., which are seen in newspapers and television have a negative impact on the minds of children. It should always be the first priority for parents to keep an eye on their child's day to day activity to keep them in right track.

Advances in technology have brought benefits as well as disadvantages. Everything has its ups and downs. It is also important to know and understand both aspects and should be taken carefully.

Dear children, while I was preparing this magazine one question continuously stuck in my mind. Do you know what is that? Will you really read the different write up of this magazine? Our hard work behind publishing this magazine will be succeeded only when you will read this. Unfortunately, nowadays I feel children have less interest for books, more interest for spending lots of time on mobile phones and laptops. Every electronic device we use has its pros and cons. Similarly, mobile phones too are harmful for kids when used excessively. Here are some reasons that help you to understand the disadvantages of mobile phones:

Mobile phone addiction is becoming a massive issue as people spend too much time scrolling through screens rather than interacting with the people around them. Additionally, mobile phones are a big distraction for students, and their addiction can affect their ability to concentrate on their studies. It is not so healthy to be constantly connected to social media on your phone. It can cause you to miss the necessary routine of your life and lead you to follow an unhealthy lifestyle. Mobile phone usage and addiction have increased mental health diseases, like anxiety, depression, irregular sleep cycle and other mental disorders.

It is very easy for children to give out personal information or view inappropriate content on the phone. Hence, it is suggested that parents should be mindful and attentive when kids use mobile phones.

On the other hand, if you make a habit of reading books, they will be your lifelong friends. Reading is a very good habit that one needs to develop in life. Good books can inform you, enlighten you and lead you in the right direction. Reading develops language skills, communication skill & vocabulary; boost your imagination and creativity- a way to relax and reduce stress. It is important to read a good book at least for a few minutes each day to stretch the brain muscles for healthy functioning.

Thus 'SAMPOORNAM' is dedicated to you all whose concept is based on complete holistic living in harmony with the mind, body and soul being at peace. The cover page symbolizes some meaningful contents.

The 'Veena' is the abode of divinity and the source of all happiness and knowledge of all creative art and sciences. It also symbolizes a reminder to tune one's heart and mind to live in harmony with others and the world. The 'Swan' represents the beauty and perfection which has the ability to discern between good and evil; eternal and temporary. It also represents "Good Luck" to all the people, students and aspirants to come and be a part of this divine journey to fly with this road of success with spiritual and divine knowledge. The 'Lotus' symbolizes enlightenment, knowledge, purity prosperity, entertinity and truth with divine perfection. The 'Books' symbolizes the Vedas representing the universal, eternal, divine and true knowledge as well as learning. The 'Path' symbolizes the quest for self-discovery and transformation through knowledge. It represents a process of growth, learning, and gaining wisdom through experiences. The 'Sunshine' that falls on the path represents life, energy, power, positivity and clarity that illuminate the path of each and every child.

We are confident that our students will rise up to our expectations and lead a life filled with Symbiosis, Energy, Exchange of ideas, Efficiency, Positive Reciprocation, Giving & Sharing and Additivity to the progress of our Nation.

I express my gratitude to Dr. Sri Sri Pitambar Deva Goswami Prabhu, the Satradhikar of Sri Sri Aauniati Satra, Majuli for his wishes and blessing bestowed on this magazine and on entire family of SKV.

I also express my gratitude to our respected Mr Pronab Kumar Makrary Sir, The Chairman for his enduring faith in me and entrusting the task of putting this wonderful journey through Sampooranam. His unconditional support and guidance always acted as a catalyst to bring out best in me as an individual. I also express my gratitude to our respected Vice Chairman Mrs. Mamoni Borah Makrary ma'am and all the Editorial Board member, other staff members, students, whose tireless efforts have given this magazine a nice shape.

I would like to express my gratitude to our respected teachers Mrs Nandini Bose, Miss Nikita Saha, Miss Parishmita Dutta, Mr. Nihal Gogoi especially Mrs. Bondita Gogoi Borah (English section), Mrs. Binita Jha & Mrs. Minu Pathak (Hindi section), Mrs. Jupitora Borthakur & Mr. Tribicrom Chaudang Baruah (Assamese section) who helped us by checking and correcting the proof of write up and Mr. Abhijit Deb for beautifully designing the cover page.

We are very grateful to Mr. Tarani Hazarika, the owner of Sidhartha Communication for his incredible support and help in publishing 'SAMPOORNAM' within a very short period of time.

At last but not least I would like to express my heartfelt gratitude to Mr. Tribicrom Chaudang Baruah, the Editor of 'SAMPOORNAM' for his great support and help in all aspects in completion of this magazine.

I hope the venture of ours will find a special place in the heart of readers. We have published this magazine within a very short time due to which there may be some errors unwillingly for which we apologize to all. Wishing you all great success and synergetic life.

(Note : We want to inform you all that at the time of collecting write up from students we have clearly mentioned that write up or poems should not be plagiarized. Unfortunately we have found that many students wrote directly or compiling those from internet which we have mentioned below their write up. This platform is to showcase their own creativity and talents.

ছাত্ৰ-ছাত্ৰীৰ লেখা সংগ্ৰহৰ সময়ত আমি স্পষ্টভাৱে উল্লেখ কৰিছিলো যে লেখাসমূহ তেওঁলোকৰ নিজৰ হ'ব লাগিব। এইখন মঞ্চ আমি ছাত্ৰ-ছাত্ৰীৰ প্ৰতিভা বিকাশৰ বাবেহে মুকলি কৰিছো। কিন্তু আমি দেখি দুঃখিত যে বহু ছাত্ৰ-ছাত্ৰীয়ে ইণ্টাৰনেটৰ পৰা সংগ্ৰহ কৰি লেখাসমূহ জমা দিছে যিখিনি আমি আলোচনীখনত প্ৰকাশ কৰিলেও লেখাসমূহৰ তলত 'উৎস' উল্লেখ কৰিছো।)

Thanking You.

Editor's Column

“Today is your opportunity to build the tomorrow you wants.”

Our school is the abode of varied people coming from different backgrounds, beliefs and communities but once they step into the school premises, they are just representatives of the school's Vision and Mission. Our school visualizes every child as a leader of tomorrow and it's our ethical duty to equip these children with every facility, opportunity and platform which can take them a step ahead, closer to their life goals. At SKV DIBRUGARH, we as mentors and guides are taking deliberate steps and making efforts to evolve the personalities of our students. Our prime focus is to give the best academic results along with character building which is equally important. We provide such an environment that the children always feel happy and not stressed. Every top class facility, ranging from infrastructure to the best teaching- learning environment is made available to them All this is being done with one pure and pious intention of making our children capable enough to be global citizens who can walk, holding their heads high in any corner of this world.

‘SAMPOORNAM’ is to be viewed as a launch pad for the children's creative urges to blossom naturally. The enthusiastic write ups of our younger writers are indubitably sufficient to hold the interest and admiration of the readers. This magazine is indeed a pious attempt to make our budding talents, give shape to their creativity and learn the art of being aware because I believe that our success depends upon our power to perceive, the power to observe and the power to explore. We are sure that the positive attitude hard work sustained efforts and innovative ideas exhibited by our young buddies will surely stir the mind of the readers and take them to the surreal world of unalloyed joy and pleasure. We have put in relentless efforts to bring excellences to this treasure trove.

I express my gratitude to Dr. Sri Sri Pitambar Deva Goswami Pravu, the Satradhikar of Sri Sri Auniati Satra, Majuli for his wishes and blessing bestowed on this magazine and on entire family of SKV.

My congratulations and best wishes to all the Editorial Board and other staff members, students, whose tireless efforts have given this magazine a nice shape.

Thanks to the management and teaching staff who have taken the challenge and provided the best possible facilities to the students!
